GILPA

Pup

The Complete Food for Puppies

Description:

The only puppy food with functional fibre, improved $\omega 3$ and $\omega 6$ fatty acid ratio and a combination of nutrients that help support and maintain the immune system of the pup.

Ingredients:

Poultry, wheat, maize, poultry fat, yeast, wheatfeed, whey, flax seed, FOS, yucca extract, minerals, trace elements and vitamins, including zinc chelate. With EEC permitted antioxidants.

When to use:

From as soon as is appropriate after birth until the dog is weaned or preferably half-adult size. Should be fed initially as a porridge and then may be fed dry at / or around weaning.
