## Trinkets

Specifically for Working Dogs  
Rich in Chicken with Rice

### Description:

Unique bite-sized complete extruded diet for small and active large dogs alike with guaranteed superb palatability and long term acceptance.

### Ingredients:

Poultry, wheat, poultry fat, wheatfeed, rice, yeast, whey, flax seed, yucca extract, minerals, trace elements and vitamins, including zinc chelate. With EEC permitted antioxidants.

### When to use:

Suited for smaller dogs and higher energy requirements such as growth, lactation, late pregnancy and periods of activity or work. Particularly where palatability or nutrient demand necessitates either frequent feeding or the use of increased nutrient content per kilo of food.
