

Product Information & Features

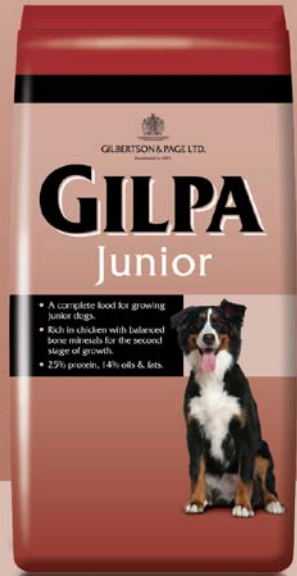

GILBERTSON & PAGE LTD.

Established in 1873.

GILPA Junior

- A complete food for growing junior dogs.
- Rich in chicken with balanced bone minerals for the second stage of growth.
- 25% protein, 14% oils & fats.

STATUTORY STATEMENT

Gilpa Junior is a complete pet food for dogs. Gilpa Junior is suitable for all puppies from around half adult size until fully grown.

DIRECTIONS FOR USE

Follow the suggested daily feeding guide overleaf. The amounts are expressed as the total, in grams, to be fed per day. This amount should be divided by the appropriate number of meals. To convert to ounces divide by 28. Try to spread the meals evenly through the day.

Always ensure that fresh drinking water is readily available at all times. An individual dog's requirements vary and may differ from the suggested daily feeding guide overleaf. Always feed to condition adjusting the amount fed to meet the individual dog's needs, dependent upon circumstances and to maintain the

desired body weight and steady growth rate. The correct body condition is indicated when the ribs of the growing dog can easily be felt, but not seen and the base of the tail is firm.

COMPOSITION

Wheat, poultry (minimum 22% chicken), chicken fat, maize, yeast, whey, flaxseed, fructo-oligosaccharides (FOS), vitamins and minerals, yucca extract.

Available sizes: 4kg & 15kg
