# GILPA Trinkets

- An energy rich diet that is nutritionally balanced & complete.
- Rich in chicken with rice.
- 24% protein, 14% oils & fats.

## STATUTORY STATEMENT

**Gilpa Trinkets is a complete feeding stuff specifically for sporting & working dogs. Gilpa Trinkets is suitable for dogs over 12 weeks of age.**

## DIRECTIONS FOR USE

**Gilpa Trinkets** can be fed dry, or moistened to the consistency that your dog prefers. When feeding for the first time it is suggested that you introduce the food gradually over a few days until it replaces all other dog food. An individual dog's requirements vary and may differ from the suggested daily feeding guide overleaf.

Active dogs may have greater requirements than those listed in the table and pregnant and lactating bitches may require up to three times the amount indicated.

Always feed to condition adjusting the amount fed to meet the individual dog's needs, dependent upon circumstances and to maintain the desired body weight. Always ensure that fresh drinking water is readily available at all times.

## COMPOSITION

Wheat, poultry (minimum 20% chicken), chicken fat, rice (minimum 4%), whey, yeast, flaxseed, vitamins and minerals, yucca extract.
